Congratulations and welcome to our Monthly Beer Club!

A Beer of the Month Club membership is a fun and exciting way to experience the crafts from brewers off the beaten path. Each month, members of the Monthly Beer Club receive a selection of six micro-brewed beers from independent breweries nationwide and internationally. Each and every selection is different and chosen carefully based on its distinctiveness, ingredients, flavour and the season (typically darker beers in the Fall and Winter, lighter beers in the Spring and Summer). Only the best-of-the-best become selections of the Monthly Beer Club.
